Farnham Golf Society

We are newly formed as a golf society, however it's membership is a continuation of the successful Ballwick golf society which was formed in 1975. The golf society has played golf courses all over the local Surrey and Hampshire area. All levels of golfers are welcome and we have no golf handicap requirements in order to join the society. We like to think that we achieve a balanced mixture of a friendly social meeting of likeminded golfers spiced up with a healthy level of competition.
