Come and join Full Circle Vocal Group. We have been singing in the Farnham Community for 10 years in 2019 and we're getting better and better each year. With something different to look forward to each term, there are plenty of reasons to join us. We sing songs of all styles in 3 or 4 part harmony with no auditions and you don't have to read music, although it is given out for each song. Full Circle get involved in a number of community activities, such as concerts, collaborations with local choirs, open mic nights, charity singing, singing for care homes, recording sessions and we always have a guest musician in at least once a year – a masterclass in everything from Gospel to Rock. One year we had Clare Wheeler from the Swingle Singers, another time we had Anu Omideyi, distinguished gospel singer.

We have a laugh each session and sing for fun and as part of the Farnham community, enjoying social evenings out as well as our usual singing sessions.

If there is one thing you can guarantee from coming to a Full Circle session is that you will smile at least once during the session.

We're a friendly, non-judgemental group who love to meet new members and sing fantastic harmonies.

Hope to see you soon!

Come and join Full Circle Vocal Group. We have been singing in the Farnham Community for 10 years in 2019 and we're getting better and better each year. With something different to look forward to each term, there are plenty of reasons to join us. We sing songs of all styles in 3 or 4 part harmony with no auditions and you don't have to read music, although it is given out for each song. Full Circle get involved in a number of community activities, such as concerts, collaborations with local choirs, open mic nights, charity singing, singing for care homes, recording sessions and we always have a guest musician in at least once a year – a masterclass in everything from Gospel to Rock. One year we had Clare Wheeler from the Swingle Singers, another time we had Anu Omideyi, distinguished gospel singer.

We have a laugh each session and sing for fun and as part of the Farnham community, enjoying social evenings out as well as our usual singing sessions.

If there is one thing you can guarantee from coming to a Full Circle session is that you will smile at least once during the session.

We're a friendly, non-judgemental group who love to meet new members and sing fantastic harmonies.

Hope to see you soon!
