

Support for new volunteers

Want to meet new people? Want to get out and about? Would like to use your skills?

Volunteering is a great way to contribute to your community, build your confidence and gain new skills.

The Welcome Project with Waverley Borough Council are keen to offer you all of the one to one support you need to volunteer.

Finding you the perfect volunteer role that compliments your interests, experience and skills.

- They attend interviews with you
- They will support you on your first day of volunteering
- They offer volunteering taster sessions
