Members £4.00 Non-Members £6.00 Students £2.00
or pre-book email: 1socsec.fsoc@gmail.com

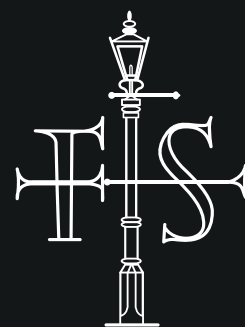

Joanne Watson spent more than 30 years working for BBC sport. Her latter career saw her as the Major Events Planning Editor for Radio Sport. During her time the relationship between Sport and the Media changed dramatically. The influence of mega million pound contracts, millionaire backers and the expansion of digital media means the sporting landscape is now very different but is it all for the better? Joanne worked on the London Olympics, Wimbledon, Football, Rugby and Cricket World Cups.

Joanne moved to Farnham six years ago and is the new Chairman of The Arts Society Farnham and continues her involvement in sport, as the junior fixtures secretary for Guildford Cricket Club.

You can hear all about her fascinating story at the **Church of St Thomas on the Bourne** **Wednesday, 14th November at 20:00.**

The Farnham Society was founded in 1911 to preserve the architectural heritage of Farnham, and maintain the highest quality of life for future generations. The Society promotes planning and conservation, and campaigns for appropriate development and environmental protection.

Please join us in support of our residents and protecting our community. Membership entitles you to attend our evening lectures at a reduced price and take part in local tours and events throughout the year.
