Subject: Farnham Neighbourhood Plan Review - Regulation 14 Consultation on Minor Revisions and Proposed Housing Sites
Attachments: Farnham Neighbourhood Plan South East Water.pdf

good afternoon Jenny,

I have read through the information provided and can advise that South East Water would still stand by the information present in 2.46 "South East Water have indicated that proposed development would need a small amount of local reinforcement to supply the additional demand at specific sites".

I can confirm South East have the infrastructure with in the Farnham area to accommodate the extra 450 properties required.

Please let me know if there is anything else I can assist with.

Kind regards
