FARNHAM CRAFT TOWN MEDIA RELEASE

17 September 2019

FOR IMMEDIATE RELEASE

Craft Month Goes Through the Window

From 5 – 27 October 2019 a series of pop up exhibitions will appear in shop windows throughout Farnham's town centre. Over 60 shops and makers are teaming up to bring top quality craft to new audiences this autumn. Original creations from local textile artists, jewellers, potters, wood turners and glass makers will make their way from studios and workshops to a variety of retail outlets in the town. The event has been organised by Surrey Artist Open Studios in partnership with Craft Town England as part of October Craft Month, the Town's annual celebration of all things craft.

Caitlin Hefferman, who is coordinating the event, has been delighted by the response to the project:

'We are so pleased with how this project has been received by the town's retail and artistic communities. This is a great way to bring people into the town centre to learn a little more about the town's craft heritage and to experience some fantastic contemporary work. October Craft Month is a great way to showcase Farnham's unique blend of craft tradition and innovation. Come and find out more this October!'
