## Financial Statements for the year ended 31 March 2020

### Explanatory Foreword

Farnham Town Council's Financial Statements for the year ended 31 March 2020 are set out on the pages attached and consist of the following:

- **The Income & Expenditure Account**, showing income and expenditure on all services.
- **The Balance Sheet**, setting out the Council's financial position at the year end.
- **Notes to the Accounts**, providing information on amounts included in the statements.

This foreword provides a brief summary of the more important aspects of Farnham Town Council's activities and its financial position.

### Basis of preparing the Financial Statements

As the Council's income is less than £6,500,000, the Council's accounts follow the CIPFA Accounting Guidance for medium-sized councils. The balance sheet does not therefore need to include the value of fixed assets such as premises, equipment and infrastructure, although they are included for completeness. The cost of services excludes depreciation and the accounts also exclude adjustments that would be necessary to meet accounting standards relating to the accounting treatment for retirement benefits, as compliance is not required.

### External Auditor's Opinion

The External Auditor's Opinion is provided on an Annual Governance & Accountability Return provided to the Council's Auditors:

The figures provided in these statements are consistent with those provided in the Annual Governance & Accountability Return.

The Annual Governance & Accountability Return can be seen with the May 2020 Council Agenda and is also available online at [www.farnham.gov.uk](http://www.farnham.gov.uk) or on request from Farnham Town Council.

## Farnham Town Council Outturn for the Year ended 31<sup>st</sup> March 2020

The outturn for the year is set out in the Income & Expenditure Account on page 4 and may be summarised as follows:

	£
Cost of services	1,468,882
Income received	463,405
	<hr/>
Net spending	1,005,477
Local Parish Council Tax Grant (included in income)	12,130
Precept on Waverley Borough Council	1,102,922
	<hr/>
Amount transferred to balances for the year	109,575

### Capital expenditure

The funding for capital expenditure in the 2019/20 year was all from revenue (including grants) and balances. There was no borrowing in the year.

### Statement of responsibilities for the Statements of Accounts

The Council is required to:

- Make arrangements for the administration of its financial affairs.
- Ensure that one of its officers (referred to as the Responsible Financial Officer) is responsible for the administration of those affairs. At Farnham Town Council, that officer is the Town Clerk.
- Manage its affairs to secure economic, efficient and effective use of resources and to safeguard its assets.

The Responsible Financial Officer is responsible for preparation of the Council's statements of accounts in accordance with the CIPFA Accounting Guidance so far as applicable to this Council, to present fairly the financial position of the Council at 31 March 2020 and its income and expenditure for the year then ended. In preparing the statements of accounts, the Responsible Officer has:

- Selected suitable accounting policies and applied them consistently;
- Made judgements that were reasonable and prudent; and
- Complied with the Guidance.

The Responsible Officer has also:

- Kept proper accounting records that were up to date; and
- Taken reasonable steps for the prevention and detection of fraud and other irregularities.

The Notes on pages 6 to 10 also form part of the Financial Statements.

The Council falls within the Audit Commission's 'lighter touch' audit regime and so the external audit opinion is provided on the Annual Return, which includes a summary of the Income and Expenditure Statement and Balance Sheet.

The above statement presents fairly the financial position of the Council as at 31 March 2020 and reflects its income and expenditure for the year. These Financial Statements reflect statements that were approved at a meeting of the Council held in May 2020.

## Notes to the Financial Statements for the year ended 31 March 2020

### I. Principal accounting policies

#### Accounting convention

The Financial Statements have been prepared in accordance with the CIPFA Accounting Guidance for Local Councils, which is recognised by statute as representing proper accounting practices, as applied to the accounts of local councils.

#### Fixed assets

The Council's Financial Statements are not required to include the value of fixed assets on the balance sheet or depreciation in the Income & Expenditure Account. The acquisition, creation or enhancement of fixed assets is charged to revenue each year, and disposal proceeds are credited to a capital receipts reserve if not immediately used to fund capital expenditure.

Fixed assets are valued in the Notes to the Financial Statements on the bases recommended by CIPFA and in accordance with the statements of asset valuation principles set out in 'Governance and Accountability – A Practitioners' Guide' and guidance notes issued by the Royal Institution of Chartered Surveyors (RICS). The closing balances are stated on the following basis:

- Land, operational properties and equipment, infrastructure and community assets are valued at the original purchase price, or the value at first recording of the asset. These values remain unchanged until disposal.
- Certain community assets are the subject of restrictive covenants as to their use and/or future disposal. Assets considered to have no appreciable realisable value are recorded at their historic cost value or given a £1 nominal value.

At the end of the 2013-14 financial year, the assets were reviewed and restated in line with the latest guidance issued by the external auditor with assets previously listed to include proxy values, being revalued to zero (for gifts) or £1 for assets transferred from another authority.

#### Debtors and creditors

The Council's Financial Statements are maintained on an accruals basis. Amounts due to or from the Council during the year are included whether or not the cash has actually been received or paid in the year.

#### Stocks and work in progress

Stocks of office supplies and for grounds maintenance have been treated as consumed because their value was not material.

#### Reserves

The Council maintains certain operational reserves to meet general and specific future expenditure. The purpose of the Council's reserves is explained in Note 6.

#### General administration and support service costs

Central administrative support costs are reallocated direct to the services concerned, so far as they can reasonably be ascertained. The remaining administrative costs, including those relating to the democratic process, are shown as a separate service cost in the Income & Expenditure Account.

**(continued)**

**2. Pension costs**

The Council's staff members are eligible to become members of the Surrey Superannuation Fund, which is administered by Surrey County Council and are auto-enrolled into the scheme as required.

The pension costs that are charged to the Council's accounts in respect of its employees are equal to the contributions paid to the funded pension scheme for these employees. These contributions are determined by the Fund's actuary on a triennial basis and are set to meet 100% of the liabilities of the Fund, in accordance with relevant government regulations. The next triennial review is due in 2020.
